

Cadaveric Vascular Access Course

Tuesday 28th and Wednesday 29th June 2022

A two-day practical & comprehensive hands on cadaveric course. The course is directed towards vascular and transplant trainees and recently appointed consultants with special interest in access surgery. The course faculty is comprised of experts in the field delivering one to one tuition and interactive lectures covering planning, execution and the management of complications. The course is under the auspice of the Vascular Society of Great Britain and Ireland. The course fee is £300.
